

DO YOUR PART: Follow Watering Restrictions

Bonita Springs Utilities, Inc. reminds you to follow local watering restrictions. Southwest Florida has experienced an abnormally dry winter and spring, and we all must do our part to help conserve our water resources.

Year-round water conservation ordinances in Bonita Springs and Lee County allow for **lawn watering two days per week** and **prohibit landscape irrigation from 9 a.m. to 5 p.m., when water evaporates quickly.**

City of Bonita Springs residents:

- Homes with odd-numbered addresses may irrigate on Mondays, Wednesdays and/or Saturdays
- Homes with even-numbered addresses may irrigate on Tuesdays, Thursdays and/or Sundays

Village of Estero residents:

- Homes with odd-numbered addresses may irrigate on Wednesdays and Saturdays
- Homes with even-numbered addresses may irrigate on Thursdays and Sundays
